The SOCA weather line is 434-817-7246 (RAIN). Please check the line or the SOCA website (www.SOCAspot.org) before games and practices to determine the status of fields. The website and phone line will be updated by 7:30am on weekends and 2:00pm on weekdays with a determination on field playability. This status may be updated throughout the day as weather conditions develop. Always check right before leaving for your game for the most recent information as bad weather sometimes develops right before game time. Referees have the authority to cancel matches and close fields on site if weather conditions deteriorate at kickoff time or after a match has started.
